February Newsletter Deadline:

All newsletter articles for February are due in the church office by Sunday, January 17, 2015.

This newsletter is published monthly.

Dear Friends in Christ,

A new television show will be coming out in January. Maybe you have seen the teasers for this show also. It is entitled "Second Chance". The premise of the show is that a sixty something police officer is killed in the line of duty, and is somehow brought back to life again as a man in his late twenties, thus being given a "Second Chance".

Many times we look at the new year as an opportunity for a second chance. We can start the new year fresh, making resolutions to do this, or to stop doing that in order to be "better" with the start of a new year. But it doesn't take very long for us to fall back into old habits, break resolutions, and slide right back into the same rut of which we were trying to climb out. Second chance becomes too quickly a second fail.

However with Jesus as our Savior, we can have more than a second chance. The Apostle John writes in his first epistle, "1My little children, I am writing these things to you so that you may not sin. But if anyone does sin, we have an advocate with the Father, Jesus Christ the righteous. 2He is the propitiation for our sins, and not for ours only but also for the sins of the whole world."

In other words, Jesus is our limitless second chance. We can turn to Him in remorse and repentance, and we can fully expect Him to forgive our sins, over and over again. But our second chance isn't limited to the forgiveness of our sins. We also will be given a new life in heaven, an eternal second chance that will not be spoiled by any broken resolution. This is a second chance that will never end.

Welcome to a new year! By faith in Jesus, and by His grace and forgiveness, we are truly new, every day, and for all eternity!

In the love of Christ,
